

# I Wonder Why

## Dion & The Belmonts

Love is a hunger that burns in my soul  
But you never noticed the pain  
Love is an anchor that won't let me go  
I reached out to hold you  
But you push me away  
And you always convinced me to stay  
And I wonder why  
We hold on with tears in our eyes  
And I wonder why  
We have to break down to make things alright  
And I wonder why  
I can't seem to tell you goodbye  
Yeah, I wonder why  
I'm no angel my selfish pride  
But I love you more everyday  
Love is an anger that builds a pain inside  
As a tears of frustration roll down my face  
But is love always have to turn out this way?  
And I wonder why  
We hold on with tears in our eyes  
And I wonder why  
We have to break down to make things alright  
And I wonder why  
I can't seem to tell you goodbye  
Oh, I wonder why  
I don't want to fight again tonight  
About the little things, please baby  
I just wanna find my way back to love, oh  
I meet you there, baby  
(Hold on, break down, can't seem)  
And I wonder why  
We hold on with tears in our eyes  
And I wonder why, I wonder why  
We have to break down to make things alright  
And I wonder why  
I can't seem to tell you goodbye  
I wonder why  
We hold on with tears in our eyes  
And I wonder why

We have to break down to make things alright  
And I wonder why  
I can't seem to tell you goodbye  
Oh yeah and I wonder why, I wonder why  
No, oh yeah, I wonder why, baby  
And I wonder why  
We hold on with tears in our eyes  
And I wonder why, I wonder why  
We have to break down to make things
