

# I Never Knew (feat. John Coltrane)

**Kenny Burrell**

You, get me feelin' crazy  
There always on my mind  
And I get to feelin' lately  
If I never knew your name,  
I'd love you all the same  
But I have you to myself  
Wanting nothing else  
Knowing that you're mine Good time, bad time, all the time  
Hands reachin' 'cross a room  
And I know somewhere inside my mind  
If I never knew your name,  
I'd love you all the same,  
But I have you to myself  
Wanting nothing else  
Knowing that you're mine Ba ba ba ba ba  
Ba ba ba ba ba And I know somewhere inside my mind  
If I never knew your name,  
I'd love you all the same  
But I have you to myself
