

# Ray Of Light (William Orbit Ultra Violet Mix)

## Madonna

Zephyr in the sky at night I wonder  
Do my tears of mourning sink beneath the sun  
She's got herself a universe gone quickly  
For the call of thunder threatens everyone And I feel like I just got home  
And I feel  
And I feel like I just got home  
And I feel Faster than the speeding light she's flying  
Trying to remember where it all began  
She's got herself a little piece of heaven  
Waiting for the time when Earth shall be as one And I feel like I just got home  
And I feel  
And I feel like I just got home  
And I feel Quicker than a ray of light  
Quicker than a ray of light  
Quicker than a ray of light Zephyr in the sky at night I wonder  
Do my tears of mourning sink beneath the sun  
She's got herself a universe gone quickly  
For the call of thunder threatens everyone And I feel Quicker than a ray of light  
Then gone for  
Someone else will be there  
Through the endless years She's got herself a universe  
She's got herself a universe  
She's got herself a universe And I feel  
And I feel  
And I feel like I just got home  
And I feel Quicker than a ray of light she's flying  
Quicker than a ray of light I'm flying
