

# Drinkin' Problem

## Midland

One more night, one more down  
One more, one more round  
First one in, last one out  
Giving this town lots to talk about  
They don't know what they don't know  
People say I've got a drinkin' problem  
That ain't no reason to stop  
People sayin' that I've hit rock bottom  
Just 'cause I'm living on the rocks  
It's a broken hearted thinkin' problem  
So pull that bottle off the wall  
People say I got a drinkin' problem  
But I got no problem drinkin' at all  
They keep on talkin'  
Drawing conclusions  
They call it a problem, I call it a solution  
Last call gets later and later  
I come in here so I don't have to hate her  
Same old folks, same old songs  
Same old, same old blew me off  
The same old buzz, just because  
People say I've got a drinkin' problem  
That ain't no reason to stop  
People sayin' that I've hit rock bottom  
Just 'cause I'm living on the rocks  
It's a broken hearted thinkin' problem  
So pull that bottle off the wall  
People say I got a drinkin' problem  
But I got no problem drinkin' at all  
They keep on talkin'  
Drawing conclusions  
They call it a problem, I call it a solution  
Just sitting here in all my grand illusions  
They call it a problem, I call it a solution  
Just a solution  
It's a broken hearted thinkin' problem  
So pull that bottle off the wall  
People say I got a drinkin' problem  
But I got no problems drinkin' at all  
They keep on talkin'  
Drawing conclusions  
They call it a problem, I call it a solution  
Just sitting here in all my grand illusions  
They call it a problem, I call it a solution
