

Just Let Me Lay Down

[Peter Liam Holcross](#)

I'm so tired of trying to be something I'm not;
Just let me lay down, Lord at the foot of Your cross! I have no works, Lord and I've got no more love
Just let me lay down, Lord in what You have done! I'm sick with my sin, Lord; it's too great a load;
Just let me lay down, Lord, all washed in Your blood! I'm weary with searching, my own way to find;
Just let me lay down, Lord, in Your peace of mind! I'm all out of ways, Lord, my own life to fill;
So just let me lay down, Lord, in Your perfect will! I'm so tired of trying to be something I'm not
Just let me lay down, Lord, at the foot of Your cross!
