Baby Girl.. I said tonight is your lucky night...
Peter Andre Along with Bubbler Ranx On the mic..

I stopped and stare at you walkin on the shore
I tried to concentrate, My mind wants to explore
The Trpoical scent of you takes me up above
Girl when i look at you... oh, fall in love

Ooooh!No dought you look so fine..
Girl i wanna make you mine..
I want to be with a women just like you..
No doubt that i'm the only man who can love you like i can..
So jus let me be with the women that i love..
