This right here is payback  
From way back  
I don't play that x 4Recognize a real don when you see one  
and don't try to be one, you fuckin peon  
I been like Deion for eons  
You ain't nothing but a biatchMessed around and let me read up  
I come back through and tear the street up  
Ice cube, nigga, you better D up  
And when I come by, bitch, you better be upAss up, face in the pillow  
I don't give a fizzle  
Got to do my bizzle  
The only nizzle that'll never ever fizzle  
Original, you niggas knowChorus:  
(Right here right now)  
You gotta get'em up  
Who wants some  
You better get'em up  
Come get some  
x3  
You gotta get'em up  
Who wants some  
You better get'em upGot to get with ya  
Hit you wit these things that I'm holding  
Who wanna squab with the frozen  
Now who wanna battle with the chosen  
You niggas lotion  
I'm no emotion  
I'm shrapnel from the explosion  
Hit you in the face while you posingHigh as Jimmy Hendricks  
I lined up ten dicks and took out appendix  
So go get forensics  
Let em know I'm Geronimo  
Till it's my time to go  
You better find your ho  
Get yer babies and your mama  
And move to Guantanamo  
Doubt my skills  
I'm payin my bills  
I'm up in the hills

You niggas are kills  
Even though I'm on a fucked up label  
You bitches know what I can bring to the table(Chorus)This right here it's payback  
From way back  
I don't play that x 4I like bitches like you  
5'2" wearing light blue  
The freak get high too  
With a fly dude  
Not a Erika Badu  
That's looking for an "I do"  
Now what can I buy you  
Just to try you  
Need another bitch to lie to  
Need another bitch in my coupe  
Oh please can I trouble you  
For a double scoopA nigga need some T&A  
Now you can get dick but you can't get no DNA  
I heard you was a big freak  
(Can I hang?)  
Bitch look down I got some big feet  
I like Mike and Ike's  
I like watchin dykes  
I like goin to fights  
I like earnin my stripes  
In the book of life  
There's only two women  
Big ol' good ones  
And good ol' big ones(Chorus)
