

# Nothing Can Change This Love

[Sam Cooke](#)

If I go a million miles away  
I write a letter each and every day  
'Cause honey, nothin',  
Nothin' can ever change this love  
I have for you Ooh, make me weep,  
You can make me cry  
See me comin'  
And you can pass me by  
I know that nothin',  
nothin' can ever change this love  
I have for you Oh, you're the apple of my eye  
You're cherrie pie  
Oh you're cake and ice cream  
You're sugar and spice  
And everything nice  
You're the boy of my, my, my dreams If you wanted to leave me  
And roam  
When you get back  
I'd just say  
Welcome home,  
I know that nothin',  
Nothin' can ever change the love  
I have for you I know that nothin',  
Nothin' can ever change the love  
I have for you
