

# Voodoo Chile (slight Return)

[Stevie Ray Vaughan](#)

Well I'm standin' next to a mountain....  
Choppin' down with the edge of my hand  
Well I'm standin' next to a mountain....  
Choppin' down with the edge of my hand  
Pick up the pieces, make an island....  
Might even raise a little sandCause I'm a voodoo chile....  
Lord knows I'm a voodoo chileI didn't mean to take up all your sweet time  
Give it right back to you....  
One of these days  
I didn't mean to take up all your sweet time  
Give it right back to you....  
The rest of my daysI won't see you again in this world....  
See ya in the next one  
Don't be late....  
Don't be lateCause I'm a voodoo chile yeah....  
Lord knows I'm a voodoo chile
