

# Feel About Snoop

## Snoop Dogg

You brainwashed not to know you grew up wanting to be a pimp  
You wanted to be a player (right)  
You know, you grew up wanting to be these different things  
That are role models to you in your neighborhood  
Until you figure out that hold on  
I'm finna be the first role model that ain't that (right) Well I had a chance to listen to the album, it's very chill,  
It definitely makes you wanna smoke some weed  
(Oh it do?)  
Yeah, and I don't even really smoke (you wanna hit some right now?)  
I don't know if we're allowed to do that in here  
(We need curtains, we need curtains in here)  
No, snoop can do what he wanna do  
(I don't think so)  
Don't ask for permission, ask for forgiveness The way I feel about snoop  
The way I feel about snoop And there ain't no doubt about it  
Regarded as the precious  
I done been everywhere that you wanna go  
Now look up, I shook up the game  
Hell yeah, they love the dog  
Grandmamma's worldwide wanna hug the dog
