

# Sentenced

## Leverage

I remember, I recall  
Like it was yesterday  
As I drag the ball and chainLifetime has gone, no parole  
There's no getaway  
Time be done, my dying dayDoesn't matter how it all went  
Doesn't matter how it started  
No one else was left to blameSentenced  
Why couldn't you just turn and walk away  
She whispered, tears in her eyesSomewhere in my mind  
I knew there would be hell to pay  
I tried to keep my pride  
I was sentenced for lifeI didn't lie, I didn't fight  
Didn't try to run away  
Just raised my hands and dropped the gunAll was calm when they came  
All was said and done  
And I just watched the smoke go down, down, downI finished what they started  
Doesn't matter how it all went  
All was gone just the sameSentenced  
Why couldn't you just turn and walk away  
She whispered, tears in her eyesSomewhere in my mind  
I knew there would be hell to pay  
I tried to keep my pride, ohSentenced  
Why couldn't you just turn and walk away  
She whispered, tears in her eyesSomewhere in my mind  
I knew there would be hell to pay  
I tried to keep my pride  
I was sentenced for lifeSentenced  
Why couldn't you just turn and walk away  
She whispered, tears in her eyesSomewhere in my mind  
I knew there would be hell to pay  
I tried to keep my pride, ohSentenced  
Why couldn't you just turn and walk away  
She whispered, tears in her eyesSomewhere in my mind  
I knew there would be hell to pay  
I tried to keep my prideHide it all inside  
I was sentenced for life
