Evilution (feat. JDevil)

Datsik

It's evilution!
It's evilution!
It's evilution!Bass!
Time to rock! Time to rock!
Bass!Sometimes we seize the day
A harlot's game they try to play
To take our lives and eat them up with false pride
Make it go away
So make it go away
The twisted secret out to make us weak
Become not his in vain
At least we'll never go away!
go away..go away..go away..It's evilution!
It's evilution!
It's evilution!
It's evilution!
Time to rock!
Time to rock, time to rock!
It's evilution! Just evilution!
Sometimes we seize the day
A harlot's game they try to play
To take our lives and eat them up with false pride
Make it go away
So make it go away
The twisted secret out to make us weak
Become not his in vain
At least we'll never go away!
