Something Coming Your Way

Fielfraz

As the plane took of the spirits set you free
so you blessed your drink and spilled it over me
hereâ€™s how it will be, oh yeah
hereâ€™s how it will be, oh yeah
since you donâ€™t know what itâ€™s doing to me

Thereâ€™s something coming your way
Thereâ€™s something coming your way
Thereâ€™s something coming your way
to take you no matter what you do now baby!

Here the rain ad libs delirious R and B
while you play another stupid pop song 1-2-3
so hereâ€™s how it will be, oh yeah
since you donâ€™t know what itâ€™s doing to me

Thereâ€™s something coming your way
Thereâ€™s something coming your way
Thereâ€™s something coming your way
to take you no matter what you do now baby!

so hereâ€™s how it will be, oh yeah
since you donâ€™t know what itâ€™s doing to me
