

I'mma Flirt

Bow Wow

Kels, Bow Weezy

Jackin' for chicks

I'ma, I'ma, I'ma, I'ma flirt Soon as I see her walk up in the club, I'ma flirt

Winkin' eyes at me when I roll up on them dubs, I'ma flirt

Sometimes when I'm wit my chick on the low, I'ma flirt

And when she's wit her man lookin' at me, damn right I'ma flirt So homie don't bring your girl to meet me 'coz
I'ma flirt

And baby, don't bring your girlfriend to eat 'coz I'ma flirt

Please believe it, unless your game is tight and you trust her

Then don't bring her 'round me because I'ma flirt I'ma be pimpin', I don't be slippin' when it come down to
these ***

I don't love 'em, we don't cuff 'em, man and it's just the way it goes

I pull up in the Phantom, all the ladies think I'm handsome

Jewelry shinin', I stay stuntin', that's why these *** can't stand 'em I'ma chick magnet and anything fine, I'm
baggin' it

And if she got a man, I don't care

10 toes and I wanna be 'coz I gotta have it

Now, now, who do it like B O dub? Girls on me when I walk in the club

Game ain't tight, I'ma take your chick, that's hitman

Now your girl in love When I ***, fly young dude, ride wit me, lil' mama, can't lose

Don't get mad at me, homie because your girlfriend choose

And baby, don't bring your girlfriend to eat 'coz I'ma flirt

Please believe it, unless your game is tight and you trust her

Then don't bring her 'round me because I'ma flirt I'ma, I'ma, I'ma, I'ma flirt

That's right, I tell the truth and the whole truth

When it come to *** I be pimpin' like I supposed to

Rollin' like I supposed to, shinin' like I supposed to

In the club *** wit honeys like I supposed to I don't understand when a *** bring his girlfriend to the club
Creepin' all on the floor wit his girlfriend in the club

And wonder why all these players tryna holla at her
 Just soon as she go to the bathroom, I'ma holla at her
 A dog on a cloud when I'm walkin' through the mall
 If I could, man, I'd probably flirt wit all of y'all
 Yeah, yeah, homie, you say she your girlfriend
 But when I step up to her, I'ma be like Tarzan
 Believe me, man, this is how them playas do it in the Chi
 And plus we got them playerette foolers in the Chi
 Now the moral of story is cuff your *** 'coz hey
