Here's to the Future

Ken Stringfellow

Here's to the future my friendsâ€”hope I can see you there
We'll have a drink together somewhere, somewhere
Here's to the future darlingsâ€”whatever may come to pass
I send you with my good graces and that's a factWhat have you got to lose? Whichever paths you choose
Keep in mind that the fates are kind if you let them be so
And I know you willHere's to the future brothers-raise your cups in the air
Here's to the future sisters and all the unlikely pairsWhat have you...
Keep in mind...
And I tell you no lies
Here's to the future my friendsâ€”and all that it holds in store
I hope that each day from now on holds more...
