Shutters and Boards

Charley Pride

Shutters and boards cover the windows of the house where we used to live
All I have left is a heart full of sorrow since she said she'd never forgive
The house that we've built was once filled with laughter
But I changed that laughter to tears
Now I live in a world without sunshine oh I wish you were here
Shutters and boards...
Last night I dreamed that you came to our house to take an old book from the shelf
If you'll open the shutters I'll tear down the boards
'Cause I drove every nail by myself
Shutters and boards...
(One more time) Shutters and boards...
