

# Four Foot Shack

## Les Claypool's Duo De Twang

He got a four foot shack,  
chip on his back,  
he's nurturing a bacon laced heart attack,  
from Cali to Missouri he was raised on dirt tracks,  
and he's livin' in a four foot shack.

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
