Fall Baby Fall

Ryan Cabrera

If you just have faith
To let me be the man that I am
I'll always run back
To show you what words never canI don't want to be the one
Just to love then loseLet 'em fall baby fall
Just like the rain washes it all
If the tears will help you to heal
All that is real, all that is wrong
Let 'em fall baby fallIf you'll trust that I'm gonna stay true
Even when I'm gone
You don't have to worry
'Cause I'll always be the man that you wantAnd I don't want to be the one
Just to love then loseLet 'em fall baby fall
Just like the rain washes it all
If the tears will help you to heal
All that is real, all that is wrongAs your world spins around
Feet never touch the ground
Always hurting insideHiding behind the sun
Waiting still for the love
But it all seems so rightFall baby fall
Just like the rain washes it all
If the tears will help you to heal
All that is real, all that is wrongLet 'em fall baby fall
Just like the rain washes it all
If the tears will help you to heal
All that is real, all that is wrong
Let 'em fall baby fall
