

# Its All Over Now

## The Rolling Stones

Well, baby used to stay out all night long  
She made me cry, she done me wrong  
She hurt my eyes open, that's no lie  
Tables turn and now her turn to cry

[Chorus]

Because I used to love her, but it's all over now  
Because I used to love her, but it's all over now

Well, she used to run around with every man in town  
She spent all my money, playing her high class game  
She put me out, it was a pity how I cried  
Tables turn and now her turn to cry

[Chorus]

Well, I used to walk in the morning, get my breakfast in bed  
When I'd gotten worried she'd ease my aching head  
But now she's here and there, with every man in town  
Still trying to take me for that same old clown

[Chorus: x2]
