

Don't Stop

The Stone Roses

Don't stop, isn't it funny how you shine?

Don't stop, isn't it funny how you shine?

Here the sea spray give

I was with her

We're under the ship so get me over

Now that was me, listen

Now she fishes now, listen

There was no one out there we used

There is the news for me useless

Now so much waste

How we'll be teased

Don't stop, isn't it funny how you shine?

Don't stop, isn't it funny how you shine?

Oh won't you just ask me you're an imbecile

What's the matter for everyone I feel

Pain, blues singer

He's playing just a guitar from the top

I wake I still look I feel loose

We're all here now who'se the first ease into my heart

He must be one of us

Don't stop, isn't it funny how you shine?

Don't stop, isn't it funny how you shine?
