

Sweetest Pain

[Haylie Duff](#)

I was analyzing, rationalizing, 95'in, deep sea diving
Trying to escape the truth
You're my weakness, you're my chocolate cake
My extra sugar lemonade, that kind of stuff's taboo
See I told myself from the start of things
You can't rule my heart, you can't pull my strings
But I'm a fool for you baby, a fool for your love
I'm just a fool for you baby, I'm me all mixed up
I'm just a fool for you baby, and nothing's gonna change
And maybe it's my sweetest pain
I wanted to be on the road with nothing on my mind
So I drove until my mind went numb
Forty miles from LA was when I slammed into the brakes
Sometimes smart girls are so dumb
See I know nobody treats me like you did
And will again tonight
But I'm a fool for you baby, a fool for your love
I'm just a fool for you baby, it's all about us
I'm just a fool for you baby, and nothing's gonna change
And maybe it's my sweetest pain
See I told myself from the start of things
You can't rule my heart, you can't pull my strings
But I'm a fool for you baby, a fool for your love
I'm just a fool for you baby, it's driving me nuts
I'm just a fool for you baby, and nothing's gonna change
And maybe it's my sweetest pain
