

There for Tomorrow

Well, I was hoping I could crash the course
 You made out of imagination
 I feel it? Do you feel it?
 Cause I don't wanna get by, get by, get by If pleasure is the ultimate weapon
 Then what's to say about all the pain?
 With passion like a school in session
 You'd better think up something clever to say You look desperate by befriending the "cool kids"
 But how long will the popular take?
 The tension's building up like a fever
 You got to wonder when the hell it'll break, break Well, I was hoping I could crash the course
 You made out of imagination
 Feel it? Do you feel it?
 Cause I don't wanna get by, get by, get by this time If it's early to find out how it works for you
 You might as well be showing up late
 If it's you who's dishing out all the hot pursuit
 I hope you're plannin' on having to wait Cause all I wanna do is put a price on you
 Count you like a number then continue
 To do what I must, do what I must to get paid
 To get paid Well, I was hoping I could crash the course
 You made out of imagination
 Feel it? Do you feel it?
 Cause I don't wanna get by, get by, get by this time
 Cause I don't wanna get by, get by, get by this time It's been lonely here lately
 When you're on the other side
 When you're on the other side So what's it like to be you?
 So one of a kind
 So, what's it like to be you on the other side? Well, I'm still hoping I can crash the course
 You made out of imagination
 Feel it? Do you feel it?
 Cause I don't wanna get by, get by, get by 'Cuz I was broken
 'Til I put you back together from imagination
 Hear me? Do you hear me?
 I don't wanna get by, get by, get by this time
 I don't wanna get by, get by, get by this time
 I don't wanna get by, get by, get by It's been lonely here lately
 When you're on the other side
