

# I Got a Love

Pete Rock & C.L. Smooth

I got a love that's better than  
You ever was, you've never been  
No good for me, I guess I was  
Just way too hood for you to be with  
I got a love that's better than  
You ever was, you've never been  
No good for me, I guess I was  
Just way too hood for you to be with  
Yo I was doing a show with Kanye in the West  
Mid that is, so basically the Chi, M.I. is up in the mix  
We in the game now, it makes perfect sense  
The kid that dropped outta college, the other never went  
We take turns doing our one, two's and yes, yes, y'all  
Look at shorty with my name tatted on her breast yall  
Mr. West what do you think is the best?  
Take 'em backstage, get acquainted that's what I suggest dawg  
When it comes to spittin' G, I'm one of the best yall  
She look goods, smell clean and she had fresh draws  
Naw, that's too good to be  
Usually them type of chicks ain't good for me, no  
I got a love that's better than  
You ever was, you've never been  
No good for me, I guess I was  
Just way too hood for you to be with  
I got a love that's better than  
You ever was, you've never been  
No good for me, I guess I was  
Just way too hood for you to be with  
I got a way with words, I use words in ways  
I convince birds to come out they cage and play  
Polly want a Gucci parka, ma what did you say?  
Polly might get a cracker ain't no trickin' today, hey  
But anyway though, she got it on smash like mashed potatoes  
High class with a ass that'll smash on J. Lo  
Lay low, got play-doh, stash the payroll  
Ain't no credit card, spendin' cash on Rodeo  
And me, I'm at the Slausson Swap Meet  
Lookin' for a pair of air, one's and white tee  
She want champagne, I got Sisco and Kool-Aid

Why go to the movies, let's watch the bootleg  
I got a love that's better than  
You ever was, you've never been  
No good for me, I guess I was  
Just way too hood for you to be with  
I got a love that's better than  
You ever was, you've never been  
No good for me, I guess I was  
Just way too hood for you to be with  
Girl I don't wear Prada, never met Gucci  
Or wore Versace, all is too boozie  
We all know Kanye is Mr. Louis Vuitton  
But if I see a L and a V, I'd think that it's on  
That's what my old chick used to clash with me  
Jin, why'd you get this fake Louis bag for me?  
Actually, you should be happy I purchased that  
I take this as a sign, you don't want the matching hat  
Huh, I'm too gutter, you more Parkay with yours  
I'm more I can't believe it's not butter  
What the other suckas do for love is a damn shame  
I got a new significant number 'cause plans change  
I got a love that's better than  
You ever was, you've never been  
No good for me, I guess I was  
Just way too hood for you to be with  
I got a love that's better than  
You ever was, you've never been  
No good for me, I guess I was  
Just way too hood for you to be with  
I got a love, you ever was  
No good for me  
I got a love, you ever was  
No good for me
