

Believe (Grips Heartbroken Mix)

[Cher](#)

No matter how hard I try
You keep pushing me aside
And I can't break through
There's no talking to you It's so sad that you're leaving
It takes time to believe it
But after all is said and done
You're gonna be the lonely one Do you believe in life after love
I can feel something inside me say
I really don't think I'm strong enough, no Do you believe in life after love
I can feel something inside me say
I really don't think you're strong enough
What am I supposed to do
Sit around and wait for you
Well I can't do that
And there's no turning back I need time to move on
I need love to feel strong
Cause I've got time to think it through
And maybe I'm too good for you Do you believe in life after love
I can feel something inside me say
I really don't think you're strong enough Do you believe in life after love
I can feel something inside me say
I really don't think you're strong enough
Well I know that I'll get through this
'Cause I know that I am strong
I don't need you anymore
I don't need you anymore
I don't need you anymore
No I don't need you anymore Do you believe in life after love
I can feel something inside me say
I really don't think you're strong enough Do you believe in life after love
I can feel something inside me say
I really don't think you're strong enough Do you believe in life after love
I can feel something inside me say
I really don't think you're strong enough Do you believe in life after love
I can feel something inside me say
I really don't think you're strong enough
