

Hypnotico

Jennifer Lopez

All the girls that know that they're sexy
Come on Flip it, slap it down, it's gonna get nasty
(Hypnoti-notico, hypnoti-notico)
Shimmy shakers, earthquakers, something in the ci-ity
(Hypnoti-notico, hypnoti-notico)
Love me for my body, I'm original sexy
(Hypnoti-notico, hypnoti-notico) All the boys, all love it when we do our thing
We're just some silly heart breakers tonight (tonight)
All the boys, all want it, but it don't mean a thing
We got tonight (tonight)
We're just some silly heart breakers tonight All the boys, all love it when we do our thing
We're just some silly heart breakers tonight (tonight)
All the boys, all want it, but it don't mean a thing
We got tonight (tonight)
We're just some silly heart breakers tonight (Hypnoti-notico, hypnoti-notico)
Red eyes, widen, envious smiles
(Hypnoti-notico, hypnoti-notico)
Sunburn, baby, hurts like cra-azy
(Hypnoti-notico, hypnoti-notico) Hungry for some yum, yum
Gonna get me some, some
(Hypnoti-notico, hypnoti-notico) All the boys, all love it when we do our thing
We're just some silly heart breakers tonight (tonight)
All the boys, all want it, but it don't mean a thing
We got tonight (tonight)
We're just some silly heart breakers tonight All the boys, all love it when we do our thing
We're just some silly heart breakers tonight (tonight)
All the boys, all want it, but it don't mean a thing
We got tonight (tonight)
We're just some silly heart breakers tonight Ah (Hypnoti-notico, hypnoti-notico)
Ah (Hypnoti-notico, hypnoti-notico)
To all the boys go crazy, to all the boys go crazy
(Hypnoti-notico, hypnoti-notico)
Wind up your body like you're a Boricua
All of the men have a silly heart breaker
(Hypnoti-notico, hypnoti-notico) All the boys, all love it when we do our thing
We're just some silly heart breakers tonight (tonight)
All the boys, all want it, but it don't mean a thing
We got tonight (tonight)
We're just some silly heart breakers tonight All the boys, all love it when we do our thing

We're just some silly heart breakers tonight (tonight)
All the boys, all want it, but it don't mean a thing
We got tonight (tonight)
We're just some silly heart breakers tonightTonight
All the boys, all want it, but it don't mean a thing
We got tonight (tonight)
We're just some silly heart breakers tonight
(Hypnoti-notico, hypnoti-notico)
