

# **Sadness Disease (Last Lynx Remix)**

## **Urban Cone**

Talking to myself in your mirror  
You're gonna lose me now  
You're gonna lose me now  
Think about yourself, think about sunday  
She's gonna lose me now  
She's gonna lose me now  
I've got this sadness disease  
How you gonna cure me?  
Look at what you've done, it's so simple  
I'm gonna lose you now  
I'm gonna lose you now  
We were so in love, now its sunday  
You're gonna lose me now  
You're gonna lose me now  
I've got this sadness disease  
How you gonna cure me?  
I've got this sadness disease  
How you gonna cure me?
