

Hang Tight

[Matt Webb](#)

I don't want it
I won't return it
It's hard to word but you know I don't deserve it
Make time for the next clickÃ©
Take shelter but it hits us anywayHang tight 'cuz you might as well
You say you're sorry but it's hard to tell
And you know and you know that
I'm over being overwhelmedI'll wait for you to wait for me toHang tight 'cuz it feels like home
Taking comfort in the sticks and stones
And you know and you know that
I'm over being overthrown
I'll wait for you to wait for me toI can't deny that I
Don't have the thoughts cross my
Drifting mind, heavy heart, say goodbye, should I
Suit up for the next clickÃ©
Run for shelter but it gets us anywayHang tight 'cuz you might as well
You say you're sorry but it's hard to tell
And you know and you know that
I'm over being overwhelmedI'll wait for you to wait for me toHang tight 'cuz it feels like home
Taking comfort in the sticks and stones
And you know and you know that
I'm over being overthrownI'll wait for you to wait for me to
Can't stop, bombs drop, then we clean up the mess
Patchwork repairs and we sweep up the rest
Move on, act strong, baby who would have guessed
The battle goes on and onHang tight 'cuz you might as well
You say you're sorry but it's hard to tell
And you know and you know that
I'm over being overwhelmedI'll wait for you to wait for me toHang tight 'cuz it feels like home
Taking comfort in the sticks and stones
And you know and you know that
I'm over being overthrownI'll wait for you to wait for me toHang tight 'cuz you might as well
You say you're sorry but it's hard to tell
And you know and you know that
I'm over being overwhelmed
