

# Close Your Eyes

[Micah P. Hinson](#)

Close your eyes  
and don't you make a sound.  
There's no worries now.  
(x2)

There's no one else arround,  
to hear you cry.  
You're so asleep.  
Again, tonight.

Close your eyes  
and don't you make a sound.  
There's no worries now.  
(x2)

There's no one else arround,  
to hear you cry.  
You're so asleep.  
Again, tonight.
