

Wishing On a Star

Rose Royce

I'm wishin' on a star
To follow where you are
I'm wishin' on a dream
To follow what it means I'm wishin' on a star
To follow where you are
I'm wishin' on a dream
To follow what it means And I wish on all the rainbows that I see
I wish on all the people who really dream
And I'm wishin' on tomorrow, praying it'll come
And I'm wishin' on all the lovin' we've ever done I never thought I'd see
A time when you would be
So far away from home
So far away from me Just think of all the moments that we'd spent
I just can't let you go, for me you were meant
And I didn't mean to hurt you, but I know
That in the game of love you reap what you sow I feel it's time we should make up, baby
I feel it's time for us to get back together
And make the best of things, oh, baby
When we're together, whether or never I feel it's time we should make up, baby
I feel it's time for us to get back together
And make the best of things, oh, baby
When we're together, whether or never I'm wishin' on a star
To follow where you are
I'm wishin' on a dream
To follow what it means And I wish on all the rainbows that I see
I wish on all the people we've ever been
And I'm hopin' on all the days to come and days to go
And I'm hopin' on days of lovin' you so I'm wishin' on a star
To follow where you are
I'm wishin' on a star
Ohh, and I wish on all the rainbows that I see I'm wishin' on a star
To follow where you are
I'm wishin' on a star
