Reel Big Fish

Everybody's doin' the fish Yea, yea, yea Everybody's doin' the fish Yea, yea, yeaIt's not so bad bein' trendy Everyone who looks like me is my friend Please don't hate me because I'm trendy They're not gonna laugh at me againEverybody does it And I wonder why don't you? Everybody, everybody, everybody does it, yea Maybe you should too 'Cause you don't wanna be left out You wanna be coolIt's not so bad bein' trendy Everyone who looks like me is my friend Please don't hate me because I'm trendy They're not gonna laugh at me againIt's not so bad bein' trendy Everyone who looks like me is my friend Please don't hate me because I'm trendy They're not gonna laugh at me againEverybody's makin' fun of me 'Cause they say, I'm so trendy 'Cause I do what others do They'll make fun of me, they'll make fun of you But I don't wanna be left out I wanna be cool
