

# I Will Get On (Joshua Dub)

## Annie

(verse)

Well I know  
it wasn't really meant to happen  
I tried to  
you never ever cared to listen  
You say you don't want me around  
when I am feeling down  
and won't be there to hold my hand  
If I don't see your face again  
I guess I need a brand new friend  
who will be there in every way(chorus)  
Hey come along and watch my game  
why can't you see  
I don't need anyone?  
All on my own I will get on  
remember you will be the only one  
the lonely one(bridge)  
Ooh, why  
you make it feel like it is  
you and I  
when there is nothing left to  
what we had  
it took me much too long to see  
that I  
I will get on(verse)  
Take your time  
and realize your misdemeanor  
Then you'll find  
your selfish happy days are over  
If I could ever turn back time  
I wish you could be my  
everlasting, trusted friend  
I must been blind I couldn't see  
that you were never meant for me  
How stupid could I be?
