Got Me Good

Elley Duhe

You-u-u-u-u, got me good
I-I-I-I-I, you-u-u-u-u
I like this right here
Word on the street is that you?re single
So baby have you heard my single?
It goes la di da and it hits like a symbol
I drew a heart with my finger on your window
What?s up?
Even with your hair up
Girl, what?s up?
Even in your sweat pants
Girl, what?s up?
Even when you wake without any make-up, I?m in love
Cause I?m
So tired of the same old things
I?ma need something new in my life, yeah
So tired of the same old games
Yeah it?s time I started feeling right
Cause you-ou-ou-ou-ou, got me good girl
I-I-I-I-I, feel so good girl
You-u-u-u-u, got me good
And you know that I need you so bad
You said you?re talking to your ex-boy (well)
Well just remember he?s your ex-boy (ugh)
Well maybe I could be your next boy
And just remember that you?re better than the rest
So baby, what?s up?
Even in your work clothes
Girl, what?s up?
You know how to wear clothes
Girl, what?s up?
Girl, you got me lost in your eyes, I?m in paradise
What?s up?

Cause I?m
So tired of the same old things
I?ma need something new in my life, yeah
So tired of the same old games
Yeah it?s time I started feeling right

Cause you-u-u-u-u, got me good girl
I-I-I-I-I, feel so good girl
You-u-u-u-u, got me good
And you know that I need you so bad
I wanna know what it feels like
To run my fingers through you hair
I wanna know what drives you out
Cause baby we could drive it there
Tell me that I?m dreaming
No, I don?t wanna wake up
No, I don?t wanna wake up
Ooooh
So tired of the same old things
I?ma need something new in my life
So tired of the same old games
Think it?s time I started feeling right
Think I?m in love
Cause you-u-u-u-u, got me good girl
I-I-I-I-I, feel so good girl
You-u-u-u-u, got me good
And you know that I need you so bad
You-u-u-u-u, got me good girl
I-I-I-I-I, feel so good girl
You-u-u-u-u, got me good
And you know that I need you so bad
So bad, so bad
So bad, so bad
So bad, so bad
So bad, so bad
