

# Wouldn't It Be Good

## Placebo

I got it bad  
You don't know how bad I got it  
You got it easy  
You don't know when you got it good It's getting harder  
Just keeping life and soul together  
I'm sick of fighting  
Even though I know I should The cold is biting  
Through each and every nerve and fiber  
My broken spirit is frozen to the core  
Don't wanna be here no more Wouldn't it be good to be in your shoes  
Even if it was for just one day?  
Wouldn't it be good if we could  
Wish ourselves away? You must be joking  
You don't know a thing about it  
You've got no problem  
I'd stay right there if it were you I got it harder  
You couldn't dream how hard I got it  
Stay out of my shoes  
If you know what's good for you The heat is stifling, burning me up from the inside  
The sweat is dripping from each and every pore  
Don't wanna be here no more  
Don't wanna be here no more Wouldn't it be good to be in your shoes  
Even if it was for just one day?  
Wouldn't it be good if we could  
Wish ourselves away? Wouldn't it be good to be on your side?  
The grass is always greener over there  
Wouldn't it be good if we could live  
Without a care? Without a care, without a care  
Without a care, without a care
