Flying Saucer

Brave Combo

I'm tired of the same old job
And the same old recreation.
My life in general bores me to the core
I need a permanent vacation.
But I'm not gonna fool myself.
I'm not gonna tell me lies.
I won't pretend anything at all
But I really need a big surprise.Refrain:
I wanna see a flying saucer
I wanna see a flying saucer
I wanna see it land in front of my car
Fly in formation over my backyard
Or carry me off to the nearest star
I want to see a flying saucer
I want to see a flying saucer, yeah.I don't want to read your book.
(read your book)
I don't want to hear your tale.
(hear your tale)
I don't want to see any photos you took
Or get ufo news in the mail
(u-f-o)
I want to see something not from earth,
Something new to understand,
Something way beyond sex, death, or birth,
Or playing music in this band.Refrain
