

Save It for Later

Flashlight Brown

Two dozen other dirty lovers
Must be a sucker for it
Cry cry but I don't need my mother
Just hold my hand while I come to a decision on it Sooner or later, your legs give way, you hit the ground
Save it for later, don't run away and let me down
Sooner or later, you hit the deck, you get found out
Save it for later, don't run away and let me down
You let me down Black air and seven seas are rotten through
But what can you do?
I don't know how I'm meant to act with all of you lot
Sometimes I don't try I just now
Now now now now now now now now now now now
Now now now now Sooner or later, your legs give way, you hit the ground
Save it for later, don't run away and let me down
Sooner or later, you hit the deck, you get found out
Save it for later, don't run away and let me down
You let me down, you runaway, runaway and let me down Two dozen other stupid reasons
Why we should suffer for this
Don't bother trying to explain them
Just hold my hand while I come to a decision on it Sooner or later, your legs give way, you hit the ground
Save it for later, don't run away and let me down
Sooner or later, you hit the deck, you get found out
Save it for later, don't run away and let me down
You let me down, you run away run away
Runaway runaway runaway runaway let me down Runaway, runaway, runaway, runaway, runaway, runaway,
runaway
Runaway, runaway, runaway, runaway, runaway let me down
