

I Can Walk on Water

Basshunter

La
la la la la la la la la la la
I will never be afraid again
I will keep on fighting till the end
I can walk on water i can fly
I will keep on fighting till i die
I will never be afraid again
I will keep on fighting till the end
I can walk on water I can fly
I will keep on fighting till i die
La
la la la la la la la la la la
