

# HER (feat. Tory Lanez)

AD

Now do you like girls  
Like i do  
Ohh I think I fell into something  
Cuz I won't ever lie to her  
Ohh do you like girls  
All in the way that I likeCause it got to be her, gotta be her, gotta be herI got a question do you like girls  
Holla at me I don't bite girl  
Cuz two is better than one  
Best you ever had but I ain't second to none  
If I'm jumping the gun just keep it real wit me  
But if it sounds like a plan than you can chill wit me  
Me plus you  
You plus her  
Tell me how it feel with me  
I ain't gotta say much  
i just vibe like this  
Give it up, give it up  
Slide like this  
Climb on top, let you ride like this  
We can do it all on a night like this  
I ain't looking for no love  
Straight to the  
Girls just wanna have fun  
So tell me is you curious  
Cuz on the real girl I'm seriousNow do you like girls  
Like i do  
Ohh I think I fell into something  
Cuz I won't ever lie to her  
Ohh do you like girls  
All in the way that I likeCause it got to be her, gotta be her, gotta be her  
I was thinkin bout you  
Thinkin bout her  
And I gotta have two  
Is you cool wit it  
Cuz I know what to do wit it  
Point her out, point her out  
Bring it to me I can show her what I'm bout  
If you kiss me girl  
Imma kiss you back

And if she kiss you  
Is you into all that  
Look I was just thinkin  
We all here for a reason  
So stop playing let's go  
Don't nobody gotta know I ain't looking for no love  
Straight to the.  
Girls just wanna have fun  
So tell me is you curious  
Cuz on the real girl I'm serious Now do you like girls  
Like i do  
Ohh I think I fell into something  
Cuz I won't ever lie to her  
Ohh do you like girls  
All in the way that I like Cause it got to be her, gotta be her, gotta be her
