Lorraine

Hot Strings

I've heard a lot of stories
So tell me if they're true
Oh, I would die for you
Knowing that you're mine
You tell me that you're sorry
You say your heart is new
Oh, I will cry for you
Call me and we'll dine
It's almost over Lorraine
Can you still feel the pain?
Do you still want me to love you?
It's such a funny day
Whoa oh oh, it's such a funny day
Tonight we sail for Paris
Where the streets are paved with gold
Your eyes have blessed my soul
Your lips, they've blessed the wine
We'll tame the Gulf of Lyons
I'll wed thee in Marseilles
We'll turn the moon to blood
If only there were time
It's almost over Lorraine
Can you still feel the pain?
Do you still want me to love you?
It's such a funny day
Whoa oh oh, it's such a funny day
It's almost over Lorraine
Can you still feel the pain?
Do you still want me to love you?
It's such a funny day
Whoa oh oh, it's such a funny day
It's almost over Lorraine
Can you still feel the pain?
Do you still want me to love you?
