

Your Favorite

T. Mills

I'm your favorite.
I'm your favorite.
I'm your favorite.
I'm your favorite.
(mhm)

I'm your favorite,
And you can't get enough,
I'm your favorite.
I'm your favorite,
And I don't give a fuck,
I'm your favorite.

(shit)

I wake up to a blunt brunch,
and get head from a girl I've only met once.(once)
My day is looking pretty up,
Cause I got a swag step in my lil' giddy-up
Let the weed burn
Drink a lil somein'
Cause I'm thirsty bitch!
You can't tell me nothin'
I'm your girlfriends favorite
In a drop top cruisin' down Lankershim
(get in)
I'm the shit, so you know she down to go,
Got my hat to the side and my eyes real low.
(waddup)
Hit the clinic we can smoke a lil' mo',
And roll and roll and roll!

I'm your favorite,
And you can't get enough,
I'm your favorite.
I'm your favorite,
And I don't give a fuck,
I'm your favorite.
I'm your favorite,
And you can't get enough,

I'm your favorite.
I'm your favorite,
And I don't give a fuck,
I'm your favorite.

I'm her F-A-V-O-R-I-T-E
I'm her (?) man
You say 5 feet,
Feelin' like 10 feet,
Hotter then Tempe,
In the summer with no A.C
Driving girls crazy.
Eyes tellin' storys,
Ya'll lookin' borin'
I've been up on my grind,
While you mother fuckers snorin'
Girls lookin' gorgeous,
Breasts all enormous.
And they let me feel'em
Young faves they adore us.
Haaa, now I'll laugh for a little.
Damn your boyfriend gets treated like a middle man,
Or a minute man,
Fruit like minute maid
Time is money so you know I get minute paid.

I'm your favorite,
And you can't get enough,
I'm your favorite.
I'm your favorite,
And I don't give a fuck,
I'm your favorite.
I'm your favorite,
And you can't get enough,
I'm your favorite.
I'm your favorite,
And I don't give a fuck,
I'm your favorite.
I'm your favorite,
And you can't get enough,
I'm your favorite.
I'm your favorite,
And I don't give a fuck,
I'm your favorite.

All these hoes on my dick
All these hoes on my dick
All these hoes on my dick
All these hoes on my dick
All these hoes on my dick
All these hoes on my dick

I'm your favorite.
I'm your favorite.
I'm your favorite.
I'm your favorite.
