Blank Expression

Lily Allen

Snow is falling all around
Seven o'clock and the roads are blocked
So i walk downtown
There's no one else aroundI look in the bar and immediately
I sense danger
Look at me girl as if i was some kind of
A total strangerWhere did you get that
Blank expression on your face
Where did you get that
Blank expression on your faceThe streets are dark
And there's no one about
I wander home
And all the lights are out
I keep wonderingWhere did you get that
Blank expression on your face
Where did you get that
Blank expression on your faceWhere did you get that
Blank expression on your face
Where did you get that
Blank expression on your face
