

South Australia

Cutthroat Shamrock

South Australia I was born
heave away, haul away
South Australia 'round Cape Horn
we're bound for South Australia
haul away, come roll with me
heave away, haul away
haul away come here me sing
we're bound for South Australia
as I walked out one morning fair
heave away haul away
is there a madness, Nancy Blair
we're bound for South Australia
haul away come roll with me, heave away haul away
haul away come here me sing, we're bound for South Australia
just one thing was on my mind, heave away haul away
was leaving Nancy Blair behind, we're bound for South Australia
haul away come roll with me, heave away haul away
haul away come here me sing, we're bound for South Australia
Hey!
Hey!
Hey!
Hey!

and as we walk around Cape Horn, heave away, haul away, I wish to God you'd never been born

We're bound for South Australia
haul away come roll with me, heave away haul away
haul away come here me sing, we're bound for South Australia
South Australia I was born
heave away haul away
South Australia 'round Cape Horn
we're bound for South Australia
haul away come roll with me, heave away haul away
haul away come hear me sing, we're bound for South Australia
haul away come roll with me, heave away haul away
haul away come here me sing, we're bound for South Australia
