

Father, We Commit to You

Colleen Collins

Father, We Commit to You

God before us, God beside
God within us abide
God in Heaven, and in this place
Father, we commit to You this day

God in pleasure, and God in pain
God will ever remain
God in gladness, and God in strife
Father, we commit to You our lives

For we know that You are faithful through the stillness and the storm
For You've been with us from the start
Father, we commit to You our hearts

God in pleasure, and God in pain
God will ever remain
God in gladness, and God in strife
Father, we commit to You our lives

For we know that You are faithful through the stillness and the storm
For You've been with us from the start
Father, we commit to You our hearts
Father, we commit to You our hearts
