

Runaway Dancer (feat. Sebu)

Brian Wilson

We can't let go
There's something in the air tonight
You got to know
This time we're bound to get it right
It's the topic of conversation
Everyone on the street
Looking over the situation
Feel the beat Yeah it's been the talk of the town
She's walkin' 'round everywhere lookin' for an answer
Someone got her foolin' around
Actin' like she don't care, runaway dancer
Runnin', runnin'
Runaway, runaway dancer She doesn't give you an explanation
Standing out in the rain
There's a lack of communication
Can't explain Yeah it's been the talk of the town
She's walkin' 'round everywhere lookin' for an answer
Someone got her foolin' around
Actin' like she don't care, runaway dancer
Runnin', runnin'
Runaway, runaway dancer (She's gonna keep on runnin'
Runnin' away
She's gonna keep on runnin') Yeah it's been the talk of the town
She's walkin' 'round everywhere lookin' for an answer
Someone got her foolin' around
Actin' like she don't care, runaway dancer Yeah it's been the talk of the town
She's walkin' 'round everywhere lookin' for an answer
Someone got her foolin' around
Actin' like she don't care, runaway dancer
Runnin' (she's the talk of the town), runnin'
Runaway, runaway dancer
Runnin' (she's the talk of the town), runnin'
Runaway, runaway dancer
