Violin

Jason Chen

All of this time
I still can't believe
I carried you on my shoulder
As we grew older
The symphany we had together reached the farthest
Love captured perfect moments till you became a solo artist
Now I won't to hear you cry
Cause I know how you play my heartstrings
Over and over again
I'm done with all the lies
I'm done with all the pain
I'm done with all the time wasting up on you
And I can't take it no more take it no more
I'm done with the screamin
I'm done with all those silly love songs that keep on playin
Can you hear the violin?
So many times
I tried to speak my mind
But you just shut me out too many times for me to count
No I'm not just gonna let you play me like a fool
Too many broken strings
Now there's no more me in you
Now I won't hurt to hear you crying
Cause I know how you play my heartstrings
Over and over again
I'm done with all the lies
I'm done with all the pain
I'm done with all the time wasting up on you
And I can't take it no more take it no more
I'm done with the screamin
I'm done with all those silly love songs that keep on playin
Can you hear the violin?
Go ahead and play me your sad song (Can you hear the violin?)
Go ahead and play me your sad song (Can you hear the violin?)
Go ahead and play me your sad song (Can you hear the violin?)
Go ahead and play me your sad song (Can you hear the violin?)
Everything you said and everything you do
Hand me out you're on the run
Trying to make it back to you

But now I'm done with crawling back
No you won't get me back
So go ahead play me your sad song
(Can you hear the violin?) [x4]
I'm done with all the lies
I'm done with all the pain
I'm done with all the time wasting up on you
And I can't take it no more take it no more
I'm done with the screamin
I'm done with all those silly love songs that keep on playin
Can you hear the violin?
Go ahead and play me your sad song (Can you hear the violin?)
Go ahead and play me your sad song (Can you hear the violin?)
Go ahead and play me your sad song (Can you hear the violin?)
Go ahead and play me your sad song (Can you hear the violin?)
