Bouncing Off The Ceiling (Upsidedown)

A*Teens

Upside down
(Upside down)
Upside downMy grades are down from A's to D's
I'm way behind in history
I've lost myself in fantasies
Of you and me togetherI don't know why, but dreamin's all I do
I won't get by on mere imaginationUpside down, bouncin' off the ceilin'
Inside out, stranger to this feeling
Got no clue, what I should do
I'll go crazy if I can't get next to you, to youMy teacher says to concentrate
So what his name is Peter 'The Great'
But kings and queens will have to wait
'Cause I don't have foreverI wish that I could walk right up to you
Each time I try, the same old hesitationUpside down, bouncin' off the ceilin'
Inside out, stranger to this feeling
Got no clue, what I should do
I'll go crazy if I can't get next to you, to youSomehow, someday
You will love me too
One day will be the day
When all my dreams come trueUpside down
Yeah yeah yeah yeahUpside down, bouncin' off the ceilin'
Inside out, stranger to this feeling
Got no clue, what I should do
I'll go crazy if I can't get next to youUpside down, bouncin' off the ceilin'
Inside out, stranger to this feeling
Got no clue, what I should do
I'll go crazy if I can't get next to youAnd I'll go crazy if I can't get next to you
And I'll go crazy if I can't get next to you
