Baby Jesus

Screaming Females

what planet abandones me
it is the thrill of baby jesus
i am not afraidkids and cops eat rock hard earth
to piss in lakes and meet their maker
i am not afraidthrough all these trials
and horrors of progress
i need you
to come back my friend
and in this sad story
i burn up my costume
that ate my insides
in prison
in right eye with slip the forest
a highway and clever fire
i am not afraid.
