

Back To You

John Mayer

Back to you, it always comes around
Back to you, I tried to forget you
I tried to stay away, but it's too late
Over you, I'm never over
Over you, somethin' about you
It's just the way you move
The way you move me
Yeah, I'm so good at forgetting
And I quit every game I play
But forgive me, love
I can't turn and walk away, this way
Back to you, it always comes around
Back to you, I walk with your shadow

I'm sleeping in my bed with your silhouette
Yeah, should have smiled in that picture
If it's the last that I'll see of you
It's the least that you could not do
Leave the light on
I'll never give up on you
Leave the light on
For me too, for me too, for me too, yeah
Back to me, I know that it comes
Back to me, doesn't it scare you
Your will is not as strong, as it used to be
