

Never Enough (Edit)

Epica

Can't you hear me screaming once again?
Voices you can't hear
Because you are consumed and in content
With everlasting greed Don't you see me on my hands and knees?
Begging and bleeding
You're smiling as you bite the hand that feeds
But we're not foreseen Always wanting what your eyes can't see
Feeling what your arms can't reach
Thinking you are in need
Always hearing what your ears can't hear
Feeling what your arms can't touch
Thinking you are incomplete It was never enough that I gave to you
All of the horror that you've put me through
But I cannot make up my mind this time
This is where I will draw the line Sacrifice my life to be with you
Why did you leave me?
There's nothing more from me you can consume
'Cause you're incomplete Always wanting what your eyes can't see
Feeling what your arms can't reach
Thinking you are in need
Always hearing what your ears can't hear
Feeling what your arms can't touch
Thinking you are incomplete It was never enough that I gave to you
All of the horror that you've put me through
How can I make up my mind this time?
This is where I will draw the line Everlasting greed
Would you please answer me?
And make me complete
Everlasting greed
Would you please set me free?
Fulfill all my needs
And make me complete It was never enough that I gave to you
All of the horror that you've put me through
How can I make up my mind this time?
This is where I will draw the line Never again will I be with you
Not promise
I finally made up my mind this time
This is the end

I've drawn the line
Never enough to devour your greed
