How to Love

Lil Wayne

Turn the music up
A lil' louder, yeahYou had a lot of crooks try'na steal your heart
Never really had luck, couldn't never figure out
How to love (how to love)
How to love (how to love)
Mm you had a lot of moments that didn't last forever
Now you in the corner try'na put it together
How to love (how to love)
How to love (how to love)Mm for a second you were here, now you over there
It's hard not to stare, the way you moving your body
Like you never had a love (had a love)
Never had love (had a love)When you was just a youngin', your looks were so precious
But now your grown up, so fly it's like a blessing
But you, can't have a man look at you for five seconds
Without you being insecure
You never credit yourself so when you got older
It's seems like you came back ten times over
Now you're sitting here in this damn corner
Looking through all your thoughts and looking over your shoulderSee you had a lot of crooks try to steal your heart
Never really had luck, couldn't never figure out
How to love (how to love, how to love)
How to love (how to love, how to love)
Mm see you had a lot of moments that didn't last forever
Now you in this corner try'na put it together
How to love (how to love)
How to love (how to love)Mm for a second you were here, now you over there
It's hard not to stare, the way you moving your body
Like you never had a love (had a love)
How to love (how to love)Ooh, you had a lot of dreams that transform to visions
The fact that you saw the world affected all your decisions
But it wasn't your fault, wasn't in your intentions
To be the one here talking to me, be the one listeningBut I admire your poppin' bottles and dippin'
Just as much as you admire bartending and strippin'
Baby, so don't be mad, nobody else trippin'
You see a lot of crooks and the crooks still crookYou see you had a lot of crooks try to steal your heart
Never really had luck, couldn't never figure out
How to love (how to love)
How to love (how to love)

Mm see you had a lot of moments that didn't last forever
Now you in this corner try'na put it together
How to love (how to love)
How to love (how to love)Ooh, see I just want you to know (You to know)
That you deserve the best
You're beautiful, you're beautiful
Yeah, and I want you to know
You're far from the usual, far from the usualYou see you had a lot of crooks try to steal your heart
Never really had luck, couldn't never figure out
How to love (how to love)
How to love (how to love)
Mm see you had a lot of moments that didn't last forever
Now you in this corner try'na put it together
How to love (how to love)
How to love (how to love)Mm, see you had a lot of crooks try to steal your heart
Never really had luck, couldn't never figure out
How to love (how to love)
How to love (how to love)
Yeah, see you had a lot of moments that didn't last forever
Now you in this corner try'na put it together
How to love (how to love)
How to love, mm
