

Reinforce Love

[Lee Ryan](#)

Some say love conquers all
Lifts you up when you fall
Some say fate's your only hope
Some believe it brings you home I know I can stand the test of time
When you are by my side
Love, I feel we got No more tears
Will fall from my eyes
There's no reason left to cry
Here's the reason why You reinforce love, empower me
You're my angel, you rescue me
You reinforce love, empower me
You're my angel, you give me wings I won't give up, I won't give in
'Cause with your love I can win
Won't say I can't, if you say I can
You encourage me to do better than I am I know we, we can face anything
There is nothing I can't achieve
When you're here with me You reinforce love, empower me
You're my angel, you rescue me
You reinforce love, empower me
You're my angel, you give me wings You taught me so much
You gave me room to grow
When things got tough you lift me up
I want you to know You reinforce love, empower me
You're my angel, you rescue me
You reinforce love, empower me
You're my angel, you give me wings You reinforce love, empower me
You're my angel, you rescue me
You reinforce love, empower me
You're my angel, you give me wings
